## MEDIA KIT

---

### *Biography*

Emma Locke is a *USA Today* Bestselling Author of smart, scandalous Regency romances. Her current series is the Naughty Girls, a double trilogy featuring three courtesans and three country hoydens who marry into the notorious Alexander family. She is also an engineer living in the Pacific Northwest, where she loves hiking with her dog, hot yoga and riding out the annual 330 days of rain.

## *Reviews*

### *The Trouble with Being Wicked*

"Reading [Locke's] debut novel was a revelation: a fresh voice, a daring perspective and the brassiest, sassiest heroines I've ever had the pleasure of reading. Add to that well-written and very thoughtful storylines, and what you get is insta-love." -*Love Saves the World*

"...A fun, heated, romantic story about hope, family and love and... a wonderful set up to what looks to be a very promising series." - *Rogues Under the Covers*

"Romantic, witty, and delicious." -Delilah Marvelle, *USA Today Bestselling Author*

"Well written book, with an intelligently humorous edge to the narration and emotional undercurrents...that make *The Trouble with Being Wicked* truly exceptional." - *The Historical Romance Critic*

### *The Problem with Seduction*

"The author does a really nice job with building up the romance and playing out the conflict. Looking forward to another book in this series for sure." -*Smexy Books*

"Con is such a different romance hero... This is a well-done romance." -- *Mandi Schreiner, USA Today Happily Ever After Blog*

"The story builds to create a climax that was satisfying and set the groundwork for the next in the series. If you are a fan of redemption stories and like the regency setting, this is the series for you." - *I Am, Indeed*

### *The Art of Ruining a Rake*

"This is a novel with an amazing, amazing heart -- and that heart belongs to Roman Alexander." - *Love Saves the World*

"A story of human error, accountability and ultimately forgiveness of oneself and others brings this novel full circle. The magnetic attraction between the hero and heroine was an added bonus to this appealing book." -*Jenerated Reviews*

"*The Art of Ruining a Rake* is an absolutely fabulous historical romance! Ms. Locke is a fantastically talented writer, her prose is effortless, elegant and witty, the dialogues are spectacular, and the banter between Roman and Lucy is priceless... There is real passion, the character development is beyond compare, it's fun, light, and lovely; a complete and utter delight." -*Buried Under Romance*
